

Santa Tour 2019

Santa Claus has confirmed his route with the Beltsville Volunteer Fire Department! Santa will begin his routes on Saturday December 7, 2019. Please look for your area and start times for that date. Times have changed from the past years.

- If you meet Santa at the inter-sections listed below on the schedule, he will be able to meet more children and see more of Beltsville.
- Always use caution when visiting Santa. Please pay attention to the fire apparatus and stay out of the street.
- Sometimes Santa runs behind schedule by a couple of minutes, so be patient. He will follow the schedule as closely as possible.
- Have fun and make sure you know what you want for Christmas!

Cub Pack 1031: A Scout Is Trustworthy

In October, Pack 1031 swung into high gear by having den meetings and working on our advancements. Tigers worked on Backyard Jungle, Wolves completed Spirit of the Water, Webelos worked on First Responder, and the Arrow den is working on Building a Better World. The first two weekends of November, we joined other scouts in the Washington area to collect food for the needy in our community. Our pack collected 289 lbs. of donations for the food pantries at St. Joseph's Catholic Church and Emmanuel United Methodist Church.

On November 11, ten scouts, leaders, and parents went to Mount Vernon during their Scout Days to tour our first President's home. The scouts learned about 18th century plantation life and about Washington's family. And, our veteran parents got in for free on Veterans Day!

We love sharing our adventures with our Beltsville families. Thank you for your wonderful comments I have heard in the community. I have a request: if you have Cub Scout uniforms that you can part with, please

Hope Christian Church Kicks Off #KindnessMatters

As the holiday season gets underway, Bishop Harry Jackson's Hope Christian Church, 6251 Ammendale Road Beltsville, MD, and Kenneth Copeland Ministries (KCM) kicked off a #KindnessMatters initiative to serve those in need throughout the Baltimore-Washington metropolitan area.

The campaign began Nov. 6 with more than 150 individuals packaging 22,000 meal kits provided by Feeding Children Every-

where. The kits will be distributed in the local community by the Capital Area Food Bank.

"Times are hard: 1 in 10 metropolitan residents lack reliable access to affordable food and worry about where their next meal will come from. This can especially be magnified during the holidays," said Jackson. "Our goal with this campaign is to help our neighbors have one less thing to worry about while showing them

the love of God."

In addition to packaging meals, the organizations will be providing low-income families with financial assistance and gas for vehicles just in time for the busiest travel day of the year, Thanksgiving.

"Many people think in order to make a difference and to help people they have to donate a large amount of money or do a grand gesture, but that is not true," said Jackson. "Sometimes the simplest act of kindness, like packing these meals, being a listening ear, paying for a cup of coffee, or opening a door, can make a world of difference. The most important thing we can do, especially in today's world, is show some kindness."

Additionally, KCM gave approximately 20 families identified by Hope Christian Church who are in financial need gift cards to ease the demands of the holiday season.

"Kindness is something we can and should all give freely," said Bradi Van Noy Hays, director of marketing and communications strategies for KCM. It is something every one of our neighbors deserves regardless of their political beliefs, religion, or ethnicity."

On November 6, volunteers were able to pack 22,000 meals in less than an hour as part of Hope Christian Church's #KindnessMatters Campaign.

On the Agenda

By President Karen M. Coakley

Karen Coakley

The Beltsville Citizens Association will not meet in December. Merry Christmas and Happy Holidays to all of our Beltsville residents and

businesses! I would especially like to thank all of our volunteers in the Beltsville community.

Bureau of Printing and Engraving Possible Move to BARC (Beltsville Agricultural Research Center)

They are going through the NEPA process and will host an official public scoping meeting on December 3 inside the BARC Building 003 (10300 Baltimore Avenue, Beltsville) auditorium between 6-8 pm. They are looking at 100 acres off of Powder Mill Road.

Safety Reminders

The holidays are just around the corner. Consider having packages shipped to your office or to a neighbor who is home during the day. Amazon also offers several secure locations close to Beltsville too.

Rear tags are being stolen, so be sure to check tags. If they are stolen, immediately file a police report.

OOH Child

By Reverend Dr. Jalene Chase

The song, "Ooh Child", by the Five Steps, was released in 1970. The lyrics are simple and a message of hope. The verses repeat throughout the song so that the listener will be encouraged and believing. The sentiment in these words transcends time.

Ooh child, things are going to get easier. Ooh child things'll get brighter. Someday, yeah We'll put it together and get it undone. Some day when your head is much lighter. Someday, yeah well walk in the rays of the beautiful sun. Some day when the world is much brighter.

I remember listening to this song and feeling a sense of comfort. I was eleven at the time of the release, so I didn't face the things that my adult life presents. I had a lot of living ahead of me. But I watched the news and was aware of the tension that came for the Vietnam war in 1968. Some of

the veterans from that war were not treated very well. And I was astute enough to see the disparity between the races that caused the riots after Martin Luther King, Jr was assassinated. During that time, there was widespread hope that things would get easier. We needed to believe the future would be brighter. We understood that change happens when people get together. And we acknowledged that the appearance of tyranny needed to be undone.

In my faith tradition, there was a time over 2000 years ago that people believed that the birth of the Christ child would bring the hope sung in this song. The change would make their lives easier; brighter; unified; lighter; and less burdensome. His birth gave them, and us, the opportunity to walk in the rays of the beautiful "SON". This child's birth meant hope for a people who felt oppressed and needed a savior.

If you desire to see a different world and want to fellowship with like-minded people, join us. We are trying something new at our church. We have a non-traditional start time that blends the energy of contemporary with the foundation of traditional. We are being intentional about including the cultures that worship with us and we are learning to sign the Lord's prayer. Worship time is 9:45am Sunday morning. You can find us on our webpage www.eumcbeltsville.com or Facebook www.facebook.com/groups/EUMCBeltsville/. Until next time.

We have a full year of "fun with a purpose" planned. Up next, we will be gathering toys for the District toy drive for Children's Medical Center, our holiday party, and Pinewood Derby. We also have fun adventures we will complete over the next year including outdoor adventures, citizenship, and service projects.

Pack 1031 is a family pack open to boys and girls K to 5th grade. The pack has activities including camping, hiking, our annual Pinewood Derby, and campfires. We also do participatory citizenship along Little Paint Branch Trail, our toy drive, and Scouting for Food. Along the way, we learn responsibility, practice citizenship, play games, and have tons of fun. If you are interested in discovering the fun of Cub Scouts, please contact Regina Halper at Pack1031cubscouting@gmail.com for more information.

Senior Veteran's Luncheon

By Ed Jackson

On Friday November 8, the Maryland Parks and Planning Commission held its 3rd annual Senior Veteran's Luncheon at Martin's Crosswinds in Greenbelt to honor our senior veterans 60 and over. The event included a full house of approximately 400 seniors, good speeches, good food, and good conversations!

One of the attendees was 94-year-old

Joseph Briscoe, who lives in Vansville. He was on the beach

on D-Day. Mr. Briscoe is one of the remaining of the only 2000 African Americans who landed on June 6, 1944. He is Beltsville's forgotten hero, one who went all the way to Germany. As this reporter is also a veteran, I give him my greatest respect and honor. Mr. Briscoe has been active over the years in the local civic association and is a member of the nearby VFW post. Four our senior veterans, there will be a fourth annual luncheon next year on Veterans Day, 2020.

Holiday Cheer

With holiday music in the air and the festivities beginning, family and friends will be arriving before long. Now is the time to get your home looking its best for holiday entertaining. There are several things that you can do to quickly update your interiors that is sure to evoke a "WOW" from your guests. Wallpapering with a neutral tone on tone pattern or with a simple geometric design above the chair rail in the dining room will create warmth and interest. A large novelty mirror with an unusual shape will accentuate the wallpaper while brightening the room. There is still time to order new drapery panels, sheers and blinds for the windows that will give a finished look to any room. Will's Home Decorating (www.decoratmaryland.com) in Beltsville has a great selection of inexpensive in-stock wallpapers, special order wallpapers, draperies and Hunter Douglas blinds and novelty mirrors and lamps. Will's also does reupholstery and has lots of beautiful fabrics to choose from.

Michael Richards and Valerie Kabelac

Michael Richards, the owner of Will's Decorating, recommends taking a good look at your dining room, kitchen and family room chairs. You don't want your guests taking notice of stained or tattered chairs. Freshen it up with a new fabric. Six dining room chair seats only takes three to four yards of fabric. If the seat is caving in you probably just need new padding. Your chairs can look like new in no time. Will's does expert upholstery work and can do the makeover quickly. For more expert advice on what you can do to spruce up your home this holiday season call for your FREE design consultation at Will's Home Decorating with Michael.

Rosapepe's Report to Beltsville

Do You Have Delinquent Uninsured Auto Fines?

Over 300,000 Marylanders are unable to register a vehicle due to delinquent uninsured auto fines. These fines create a barrier for many of our neighbors to fully engage in Maryland's economic opportunities. For a limited time, the state of Maryland is offering a helping hand for those residents due to legislation we passed last year. FineFix is Maryland's uninsured auto fine forgiveness program, offering eligible debtors the ability to reduce their debt by 80% and pay the remaining 20% over a six-month period. Enrollment in

FineFix is available only until December 31, 2019. For more information or to verify eligibility, visit FineFix.Maryland.gov.

Reminder: Health Insurance Deadline: December 15

Delegates Peña-Melnik, Barnes, Lehman, and I want to be sure all working families are able to sign up for affordable health insurance. Despite all the proposals in congress to repeal the Affordable Care Act (ACA), it's still in effect. The US Department of the Treasury, Bureau of Engraving and Printing (BEP) announced in the *Federal Register* on November 15, 2019 its intent to prepare an Environmental Impact Statement (EIS) to analyze potential impacts associated with the proposal to develop and operate a Replacement Currency Production Facility at the Beltsville Agricultural Research Center (BARC) in Prince George's County, Maryland. BEP currently operates two such facilities, one in Washington, DC and another in Fort Worth, Texas. The Washington, DC facility is more than 100 years old, limiting BEP's ability to modernize its production operations. The proposed action would address the space, functional, and security deficiencies associated with BEP's aging DC facility. The action would reduce BEP's operational footprint regionally, and result in more efficient currency production.

The *Federal Register* announcement initiates the start of the 30-day public involvement and scoping process, during which BEP is seeking your input. Your participation will assist BEP in identifying issues/concerns associated with the proposed action, defining the scope of analysis for the EIS, and identifying reasonable alternatives and potential mitigation actions. You may provide written comments to the address below during the 30-day scoping process.

BEP is also holding a public scoping meeting and invites your participation. This meeting will start with an introductory presentation followed by an open house. BEP representatives, displays, and informational material will be available at the meeting on **Tuesday, December 3, 2019 from 6:00 p.m. to 8:00 p.m.** The meeting will be held in the **BARC Building 003 Auditorium** located at **10300 Baltimore Avenue, Beltsville, Maryland 20705**.

Please submit written comments or questions about the proposed action to:

ATTN. Mr. Harvey Johnson
US Army Corps of Engineers Baltimore District
Programs and Project Management Division
2 Hopkins Plaza, 10th Floor, Baltimore, MD 21201 **or**
BEP-EIS@usace.army.mil

Although BEP will accept comments throughout this planning process, scoping comments must be postmarked no later than **December 15, 2019** to be considered as input to the Draft EIS. Additional information about the proposal and process is available online at <https://www.nab.usace.army.mil/home/bep-replacement-project/>.

IoT Switches for Voice Assistants

One popular use for voice assistants is to be able to control lights and other devices in your home with your voice. To do this requires Internet of Things (IoT) switches that connect to your Wi-Fi Internet in your home. The simplest of these switches plugs into an outlet, and a lamp or other device is plugged into the IoT switch. The switch then listens to the Wi-Fi signal, waiting for a command to turn the power on or off. Switches with a single plug typically sell for \$10-\$15 each. Make certain the device works with your choice of home assistant before you buy, but most work with both Google Home and Amazon Alexa. The switches also allow remote control using an app on your smartphone, and it is possible to buy light bulbs that have these IoT switches built into the bulb.

Smart Cameras and Doorbells

Another trend for this year is the smart camera and doorbell camera. A smart camera is an IoT camera that can be controlled through a smartphone. Many of these cameras will record video when motion is detected and can notify your phone so you can watch the action live. Some cameras also include sound recording and allow voice interaction with people or pets. Cameras can be found for indoor and outdoor use and can range in price from \$30 to \$200.

With many people purchasing merchandise online that is left on the doorstep, the doorbell camera has become popular. Essentially, the doorbell camera is a smart camera that replaces your doorbell. It draws power from the doorbell circuit and provides a switch to activate the bell. It also includes a camera to watch and record what is happening on your front porch and a microphone and speaker allowing you to speak with your visitor. The camera and speaker work with an app on your smartphone so you can appear to be home while you

are away. These devices currently sell for \$100 to \$250 depending on the manufacturer and features.

Warning

With all of these devices, voice assistants, smart cameras, and doorbells, you should be aware that the information the device records is normally being sent to a company that may or may not have your best interests at heart. Please read all privacy statements carefully and make certain you are willing to share the information the device may collect.

3D Printer Update

3D printers have finally reached bottom pricewise and appear to be more expensive in 2019. Last year, there were a handful of 3D printers in the \$100 range. This year, the low-end 3D printer is closer to the \$180 range. These prices may fall as Black Friday gets closer. Look for printers that support multiple filament materials, heated beds, and an enclosed printing space for the best prints. Remember; there is a learning curve to become proficient with 3D printing. Don't forget to purchase filament along with the printer so printing can be started right away.

Televisions

Ultra High Definition (UHD) High Dynamic Range (HDR) televisions with resolutions of 3840 by 2160 pixels have become the norm for new televisions. The prices have dropped by 30% or more since last year with many models available for less than \$300. The older High Definition (HD) televisions with 1920 by 1080 screen resolution are getting harder to find and are typically selling for significantly less than \$200.

Wrap Up

This wraps my list for this year. I wish everybody lots of things to be thankful for on Thanksgiving and the best of luck shopping on Black Friday and Cyber Monday. May all your gifts bring joy to the recipients!

December Community Partners Meeting

The Department of Public Works and Transportation (DPW&T) will host a next County Community Partners' Meeting on Thursday, December 5, 2019 from 9:00 to 11:00 a.m. at 8400 D'Arcy Road, Forestville MD. Participants will receive updates on ongoing initiatives, learn what's new with DPW&T and receive valuable information regarding the upcoming snow season. Additionally, you'll have the opportunity to voice your concerns and share how we can better serve you.

Snow Removal

When a snow emergency is declared, the Prince George's County Department of Public Works and Transportation (DPW&T) is responsible for providing "passable" conditions on a network of more than 1,900 miles of county-maintained roadways to ensure the safety of residents, citizens, and travelers.

To assist crews, citizens and residents are requested to:

- Move and keep vehicles off snow emergency routes
- Park in driveways or other off-road locations
- Park only on the even-numbered sides of roads/streets

During a snow and ice event, residents and citizens are asked to wait 24 hours, after the precipitation has stopped, to call 311 or 301-883-4748 to report emergencies or concerns about roadway conditions/snow removal.

'TIS THE SEASON TO BE JOLLY

'Tis the season to be jolly
For remembering the Lord on High,
Not so far away that He is blinded
From our goings on beneath
His sight.

He's concerned with all our failings,
Seen by sending Jesus to our side;
By His death and by His resurrection
Power to be changed like Him
is nigh.

Best of all of Heaven's treasures,
Born a humble baby in the night;
Do not underestimate this Savior
Giving us His presence and His light.

Never has there been a reason
More for celebrating than this One;
God Himself has opened up
His heart
Showing us what love is through
His Son.

Winter Is Coming! Build a Cat Shelter

As autumn brings colder weather, our feral friends in Beltsville are looking for warm places to take shelter. Freezing temperatures bring increased risk of frostbite and hypothermia, and many cats show signs of discomfort at even higher temperatures. Beltsville Community Cats (BCC) offers instructions for building insulated shelters for free-roaming cats.

First, the materials needed are a large, plastic storage tote with lid (to accommodate multiple cats); dry straw (not hay); plenty of foil-faced bubble wrap; 1" thick foam board insulation (cut to fit into the bot-

tom of the tote); duct tape; zip ties; a power drill and drill bits; a blow dryer; utility knife; tape measure; and permanent marker.

Watch BCC's step-by-step video "How to Build a Cat Condo" on *You-Tube* (<https://youtu.be/0vvXvcbceic>) or on Instagram @beltsville_cats.

Once built, place each condo in a discrete place on high ground, preferably near the side of a building, tree, or fence for stability and protection from the wind. Set bricks, rocks, or heavy wood on top to prevent the condo from tipping over. If possible, affix the condo on top of square PVC pipe; blocks of wood;

or a short, plastic crate to elevate the condo above heavy rain or snow. Stability is key when cats are jumping in, out, and on top of these shelters.

BCC volunteers are working hard to humanely control the feral cat population in Beltsville. We are always looking for volunteers to trap, feed, and foster cats, and we need tax deductible donations to pay veterinary bills and purchase equipment. Email hello@beltsville-cats.net or call 240.444.8353 to get involved or report free-roaming cats. Mail donations to BCC, P.O. Box 942, Beltsville, MD 20704.

Veteran's Day — A Salute to Our Heroes

By Ivy Christoffers

On November 11 at 11:00 am, the annual salute to our veterans was held at the College Park Veteran's Monument located on the corner of Route 1 and Greenbelt Road. Several citizens attended this very well-planned event along with the mayor and several other officials from College Park. The honor guard of Latimer-College Park Post # 217 American Legion; the president of The American Legion Auxiliary Unit # 217; the representative of The Veterans of Foreign Wars; Tom Davis, master of ceremonies; along with members of the College Park community all participated in this event. The wreaths were solemnly advanced, led by the honor guard. The beautiful music added much to the program. The singing of "Taps," the guest speaker, and the usual invitation to attend the delicious luncheon at The American Legion one half mile up the road rounded out the day's events.

For many years, the Memorial Day and Veteran's Day ceremonies held at this monument

have held a special place in our hearts. The future is uncertain because there is a Chick-Fil-A planned to be built backing up to this monument, which will do away with our parking. Change is inevitable if we are to progress beyond the point we are today; however, is it always for the best?

Our American Legion Auxiliary recently held our three-day Fall Conference at the Grand Hotel in Ocean City. What a great time was had by all! Our Fall Conference Chairman, Brenda Miller, did a fabulous job in planning this yearly event. From our Friday night birthday party, yes the American Legion Auxiliary is one hundred years old, to our departure on Sunday afternoon, the time was filled with fun, informative presentations of the programs, music, the Saturday night costume party banquet, the presentation of National awards, the Chinese auction, the Creative Arts raffle, our precious juniors, Girl's State speakers, and our special guest, The Eastern Division National Vice President, Carolyn Baranowski, there was much

happening. The only complaint we had was the service in the hotel restaurant. Only two servers for over two hundred people. Ouch! It isn't as though the hotel didn't know we were coming. We've been there before. Oh, well. Our next Fall Conference will be held in Frederick next October.

A craft sale/flea market will be held at College Park Post # 217 on December 14. For information on tables and times, call Dorothy Calloway at 301.794.6309 or Denise Ferland at 301.395.7392.

Christmas is almost here with all of our plans for our veteran's gift shops held in the VA Medical Centers and holiday parties for our organization, our juniors, and our veterans: a very busy time as well as a very expensive time of year for the American Legion Family.

We hope you have the greatest of holiday seasons and that the new year dawns with the promise of peace and prosperity.

May God continue to bless America and keep our troops around the world safe.

The Beltsville Young at Heart Club

The Beltsville Young at Heart Club wishes everyone a very Merry Christmas and Happy New Year. Details of the Thanksgiving luncheon and the Christ-

mas party will be in the next issue. There is so much good you can do today. The right time to reach for you dreams is always now.

DECEMBER 2019

Calendar of Events

These public programs are designed for individuals/families. **Programs are subject to changes or cancellation due to weather or low participation.** Please advise us of any special needs so that we may accommodate you.

VOLUNTEER AT THE VISITOR CENTER

Get free volunteer training and learn how to help out at this busy time of year. Ages 18 and up. Contact Diana Ogilvie at 301.497.5565 or Diana_Ogilvie@fws.gov for more information. Opportunities include:

- Greeting visitors at the front desk,
- Operating the bookstore, and
- Participating in wildlife surveys.

HOLLINGSWORTH ART GALLERY

The featured artists for December are the Southern Comforters. Their exhibit will be wildlife and nature-themed quilts. For more information about the group, see www.southerncomforters.org. The gallery is open when the Visitor Center is open. All ages are invited; no registration is required.

OWL & KESTREL

Saturdays in December from 12:15 p.m. to 12:45 p.m. each day. All ages. No registration required. Meet two of North America's smallest birds of prey: the American kestrel and eastern screech owl. Both are expert hunters. The American kestrel uses its acrobatic prowess, while the eastern screech owl is a stealthy silent hunter.

TINY TOTS

Sun., Dec. 8 and Mon., Dec. 9 from 10:30 a.m. to 11:15 a.m. each day. Ages 16 mo. – 48 mo.; parent participation required. Learn about wildlife at the refuge through fun and interactive songs, stories, and activities.

NATURE TOTS: WILD, WONDERFUL WOLVES

Tue., Dec. 10 from 10:30 a.m. to 11:30 a.m. Ages 3 – 4. Ever wonder why these wonderful wolves can survive cold temperatures? Come learn through stories, songs, and crafts!

The Bulls 12U tackle football team finished the season with an impressive 7-1 record and made it all the way to the championship game. However, the LBE Knights, the same team they lost to during the regular season, just barely got the win with a final score of 6-7 for the championship title. Needless to say, the Bulls football season was very exciting with the 12U team winning 9 consecutive games and the other age groups showing lots of growth and improvement throughout the season. Fall recreational baseball season ended with the Bulls coming together to watch Game 3 of the World Series as well as traveling to DC for the Nationals Parade. It has been lots of fun for the players to be able to play baseball while at the same time watching a local team win it all! The fall sports season has come to an end, which only means one thing- it's time

The Bulls baseball players attended the Nationals World Series Championship Parade in D.C. on November 2nd

for basketball! Bulls basketball registration is open and practices have begun. It is not too late to join! Go to www.beltsvilleadelphi.siplay.com to register or for more information. Games start in January.

As always, please contact Club Athletic Director Rian Jackson at jackson_rian@hotmail.com or 301.693.6395 with any questions, suggestions, or coaching inquiries. **GO BULLS!!! AND JOIN THE STAMPEDE!!!**
